PAID FOR BY COMMITTEE TO HOLD JACK EVANS ACCOUNTABLE. TREASURER ELEANOR ORY

Ward 2 Residents:

Your Councilmember, Jack Evans, has used his public office for private gain by peddling his influence as an elected official to companies doing business with D.C. government and WMATA. His corrupt activities and conflicts of interest have drawn the attention of a federal grand jury.

D.C. Council has reprimanded him, removed him from a powerful chairmanship, and launched an ethics investigation. Numerous public figures, including some of his own colleagues in Council, are calling for him to resign.

"There is no scenario in which Jack Evans' conduct is inappropriate for his service as our representative to the Metro Board, but somehow acceptable as a Councilmember."

--CM Charles Allen, Ward 6

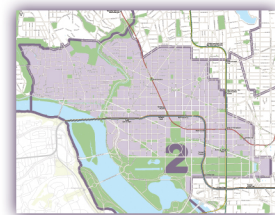

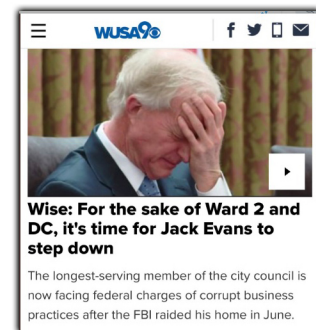

So far, there's no indication Evans plans to step down.

We need your signature on a Citizen Petition to grant a Special Election where voters can decide whether to recall CM Evans. We have until November 18 to collect 5,200 signatures (10% of registered voters in Ward 2). We're getting close! Petition circulators will be in Ward 2, knocking on doors and stationed at busy areas collecting signatures.

Please join us in fighting corruption by signing our petition (Ward 2 registered voters only). Also, please go to our website to see other ways you can help with the campaign no matter where in D.C. you live.
